SIR,

With reference to your letter No.1028/Muz.284-28-2 dated 16th February 1929 re management of the Sri Bheemanakatte Matha, I have the honor to forward herewith copy of letter No.Muz.1.A.7.136/28-29 dated 5th June 1929 from the Deputy Commissioner, Shimoga District, opining that for reasons stated, it is advisable to keep the management of the Matha and its endowments under Government till the ----- Swamiglu attains his 21st year.

2. Under the terms of the agreement given by the Mysore Muzrai Commissioner to the Chief Court in connection with the delivery of the -- Damodar Saligrama etc., to the Swami, the management of the immovable properties has to remain with Government till the suit re succession to the Matha is finally disposed of.

When I had been to Thirthahalli some time ago, I explained the position to the Swami and he is agreeable to the continuance of the management by Government pending the disposal of the suit. I therefore consider that the management of the matha and its endowments may --- continue with Government for the present.

3. The Swamy represented that the present allowance given to him is not sufficient to meet his expenses. In accordance with this the Amildar has formulated proposals for further revising the scale sanctioned in G.O.No.1250-Fl/Muz.84-27-4 dated 2nd February 192-

These proposals will result in a net excess expenditure of Rs.1174 0-0 and leave a recurring annual surplus of Rs.2510-0-0 exclusive of the interest on the sum of Rs.25,000-0-0 deposited in the Government Savings Bank out of the cash balance of the Matha, which may be --- considered sufficient. The proposals have been carefully framed and are agreed to by the Swami. I request that sanction of Government may be accorded and the revised proposals given effect to from 1st July 1929.

4. The enclosures to the Deputy Commissioner's letter are submitted for reference and kind return.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.Muz.1.A.C.136/28-27 dated 5th June 1929 from the Deputy Commissioner, Shimoga District to the Muzrai Commissioner in Mysore.

Bhimanakatte Matt-Srimukha of the Swamigalu regarding taking over the management.

I have the honor to state that there is a litigation going on in the Civil Court about the installation of the present Swami to this Matt. If the management is now handed over to the Swami the opposite party is sure to obtain an order of injunction against all the Matt properties which would ultimately lead to endless confusion.

2. The Matt property is capable of improvement which is possible only if the property is under Government management and it will take a few years more to bring it into efficient condition.

3. The Swami is still undergoing tuition and he is just now studying "Tarka". He is now eighteen years old and it is advisible to keep the management of the Matt under Government till he attains his 21st year.

4. In this connection I have the honor to state that you also visited the Matt on the 22nd ultimo when you saw the Swami and had a conversation with him. It was learnt then that the pocket money to the Swami was not sufficient and that the tenants of the Matt had certain grievances. I am instructing the Amildar to take the necessary action in the matter.

5. The Swami also told you that he was anxious to be in touch with the affairs of the Matt. As per your suggestion I am instructing the Amildar to send the Muzrai Gumasta once every fortnight to the Matt which is only about five miles from Shiralkalli to explain all affairs connected with the Matt to the Swami. A copy of the S.D. Officer's report No.R2 604/28-29 on the matter together with its enclosures are accompany.

of the letter No.604/28-29 dated, Shimoga the 10th May 1929
Assistant Commissioner, Thirthahalli Sub Division, Shimoga

With reference to your Memo Mis.A.Ac.136/26-27 dated 1-5-1929 forwarding copy of the Financial Secretary's letter No.1023 M.P.Soo-30-9 dated 16th February 1929 to the Mysore Commissioner in Mysore forwarding Srimukhana No.1922 received from the Bhimankatte Swamigalu requesting me to report whether the swamy is competent to manage the Matt and if he can be considered as having received the education necessary for him, I have the honor to state that I interviewed the Swamigalu when last I was in Thirthahalli on the 7th April and made minute enquiries regarding the present affairs of the Matt. With reference to the Sanskrit learning which the Swamy has acquired, I have to state that I do not consider the Swamy ~~has acquired, I have to state that I do not consider the Swamy~~ capable of managing the affairs of the Matt which is beset with many difficulties. The civil litigation in regard to the succession of the Swamigalu to the 'Pithe' is now pending in the Munsif Judge's Court, as also another heavy suit in the Sub Judge's Court regarding the debt raised by the late Swamigal. The late agent of the Matt has not also handed over the accounts pertaining to the management prior to the succession of the present Swamigal and the audit of the Matt accounts is pending on that account. There are properties belonging to the Matt not only in a number of villages of Thirthahalli and Nagar Taluks but also in the Udupi and Kundapur Talukas in the South Canara District. In spite of the best efforts of the Amildar who has been striving hard to bring the affairs of the Matt on an efficient condition he has not been able to do so, and a large amount of arrears remain yet to be recovered and several other important matters are still unsettled. Recently he had been deputed to Udupi and Kundapur taluks to look into affairs of the Matt properties there. The Mysore Government was also pleased to make local enquiries concerning them and issue separate instructions to the Amildar with a view to improve their financial position. These instructions remain to be complied with by the Amildar yet. In these circumstances I do not consider that Government should withdraw from the management, till at least the Swamigal has passed his 21st year.

When, during the interview, I explained to the Swamigalu the difficulties that lay in the smooth management of the affairs, he

was agreeable for the continuance of the present management for another three years, but added that in that event, the scanty scale of expenditure now provided had to be liberalised consistent with the dignity of the 'Pitha' and the importance of the institution. It is no doubt true, now that the Swamy had attained majority that a larger number of pilgrims and devotees visit the institution than here-to-fore. I accordingly had the Swamy's views as regards the revision of the scale itemwar The scale now submitted by the Amildar is in accordance - with the riches of the Swamigalu. I am on the whole convinced of -- the reasonableness of his representation and the increase proposed - under the several items is really necessary. The scale now submitted involves a net increase of Rs.1174/- per annum or Rs.98/- per mensem. The scale as proposed by the Swamigalu may be kindly sanctioned.

With this understanding, I left instructions with the Amildar to obtain a fresh Srimukha from the Swamigalu that he was agreeable to the present management till he completed his 21st year. The Swamigalu has probably changed his mind since, after a second thought and told the Amildar that it would be inexpedient to withdraw his first Srimukha and that Government may decide as they think fit. It is but natural that the Swamigalu hesitated to modify his first Srimukha. I am, however of opinion that the management of the Matt by Government should continue for another three years and that if the revised scale is sanctioned the Swamigalu might feel quite satisfied.

The Srimukha and the Amildar's report No.352/28-29 dated 5-5-29 are submitted herewith for kind perusal.
